Dear Korean American Coalition:

I would like to thank you for your hard work and dedication in hosting this leadership conference for the Korean community. The past thirty years have been filled with much more trust, understanding, and support for Korean Americans thanks to the efforts of your organization.

The Korean American Coalition (KAC) has continuously been a leading figure in advocating for the Korean Community. KAC has founded many projects that have helped others better understand the Korean community and bring unity to our community. KAC also has empowered many Korean Americans to be more active by encouraging voting, educating others in a time of increased anti-Asian violence, and raising up our youth to become a generation of leaders.

As a fellow Korean, I thank you for your dedication to Koreans all across this country. I look forward to your future accomplishments and wish you continued success.

Sincerely,
